THE STRATEGIES

TO REACH 2,000 Disciple Making Movements (DMMs) BY 2020

School-Based Outreach

Students lead their peers during various outreach opportunities like Collision Café, lunch meetings, and after-school activities. At Collision Cafés, food and drink are brought to schools one morning per week (the day varies by school). Depending on the school, students may lead their peers in a devotional, game, or have time to build relationships so they can share about what God is doing through Collision. Lunch meeting and after-school activities are used to build relationships or train students.

Disciple Making Movements (DMMs)

Everything that is done in the schools ultimately points to leading students in joining DMMs of approximately 5-7 of their peers.

After salvation and personal discipleship, one of the main goals of the Training Manual is for students to start their own DMMs. In these DMMs, they'll disciple other students by helping them discover what the Bible says and how it applies to their lives. The goal is to have 2,000 of these Disciple Making Movements by 2020.

Collision Curriculum

- 1) **Training Manual** - The DMM first starts with the Training Manual, which is 9 weeks of detailed content, teaching on evangelism, sharing testimony, how to start your own DMM, ect... If you have not completed the Training Manual yet, please do this first. You can get a copy from your Collision Leader or visit the Resources Tab at www.collision.org.
- 2) **Love & Identity** - There is a gap today that exists within youth (and adults) around the globe. There is a reason why songs about the love of the Father resonate so deeply with so many. The gap is a true understanding of the real love of God, our Father. There is also a gap in an understanding of the identity that God placed in each of us. Many Christians operate out of the place of still being a "spiritual orphan" (John 14:18) instead of understanding that they are sons and daughters of God (John 1:12). *Having a clear biblical understanding and profound experience with the love of the Father informs how we view God and ourselves. That view then leads to loving obedience and service toward others.* Not a striving, performance-based obedience, but obedience and service that comes from the compassionate heart of God the Father (Luke 7:36).

Describing Collision to Others...

Collision is not a club, it's a movement. Students lead events within their schools to build relationships with peers. Then through smaller groups of students (Disciple Making Movements or DMMs), they're taught how to share the gospel and grow deeper in their faith. They pass on what they're learning by starting their own small DMMs in order to reach the goal of 2,000 DMMs by the end of 2020.

KEY DISCIPLE MAKING MOVEMENT (DMM) PRINCIPLES

NOT A CLUB, A MOVEMENT

DMM Format

There are 4 sections to each lesson: **Looking Back** (how was everyone's week, accountability for last week's goals, vision), **Looking Up** (study of scripture), and **Looking In** (worship and listening prayer), **Looking Forward** (setting personal God-led goals based on the lesson of the day).

Student-Led

Students are the drivers of the discussion while the **adults facilitate (support and guide) instead of preaching and teaching**. We are raising up student leaders who will eventually be able to facilitate their own DMMs and even begin their own groups wherever God leads them after high school!

Focused on Scripture

Focus on the Bible. Trust God's Spirit to help each person discover the meaning of Scripture. **Facilitate conversation through asking questions rather than preaching**. This way, everyone learns to grow on their own by studying the Word. Try to make sure everyone participates.

High Expectations and Accountability

Students commit hours each week to extracurricular activities. How much more important is it to be learning about and involved in building the Kingdom of God! Each week, goals are set and students are held accountable to those goals the next week. As DMMs are being formed, students may actually be in 2 DMMs at the same time: their original DMM, AND the DMM they are facilitating on their own. They have a chance to be poured into, and then can pass on what they've learned.

Radical Multiplication

View everyone as a potential DMM facilitator and trainer of future DMM facilitators. While only around 2 out of 10 of those trained will begin their own DMM, we treat everyone as if they will. It's not our job to determine who God will use in starting a multiplication movement, so don't get frustrated. You will eventually see the fruit of those students who become DMM multipliers! Traditional groups are focused on gathering people together, where the focus of multiplying DMMs is raising up students who will "scatter" in order to win more to Christ and create more multiplying DMMs. This domino effect results in not hundreds, but THOUSANDS being in DMMs and surrendering their lives to Christ. ***It's not about "come and gather" but "GO AND SCATTER"***.

Duckling Discipleship

Multiplication of DMMs can happen quickly because the model is for believers to train others on what God is teaching them and have them turn right around and share that with others. DMM facilitators/trainers do not need to be specialists or have "achieved" a certain level of spiritual status before sharing with others. One duck (disciple) follows another duck, who follows another duck, who follows the lead duck - Jesus! Information and training is passed on by MAWLing. MAWL: Model, Assist, Watch, Launch.

TRAINING NEW LEADERS - MAWL

MODEL, ASSIST, WATCH, LAUNCH

M - Model

Model by doing 100% of the leading. Your “trainees” job is to watch you from the perspective that they will be leading it by themselves soon. Answer any questions after.

A - Assist

Assist by taking turns leading or letting the trainee leading while you step in and assist as needed. Answer any questions and give feedback after meeting.

W – Watch

Watch by having the trainee lead 100%. Watch then answer questions and give feedback after the meeting.

L - Launch

Launch by having the trainee take over full leadership and responsibility. But don’t leave them! Check in with them weekly after leading on their own for the first few times, check in with them frequently after that, and ask them how training is going for them as they MAWL for others.

OPTIONS FOR MULTIPLICATION

Part of 2 DMMs

This is the ideal scenario where you are in one “spiritual family” DMM, being poured into, and then leading a second DMM where you’re pouring out what you’ve been learning. You’d encourage those in the DMM you’re leading to do the same and unlimited multiplication can occur.

You can stay with that second DMM long enough to ensure they are trained well (MAWL) and then launch and support them OR you can stay with them long-term.

Divide and Conquer

DMMs may grow to a size that is no longer allows for deep discussion and relational connection (usually 5-8 students). At this point, identify another leader, train them up, and have part of the Movement meet with them. So you go from one DMM into two DMMs.

Disciple Making Movement (DMM) TIPS

LEADING A SUCCESSFUL DMM

Pray, Pray, Pray!

God can do anything He wants without our help, but He chooses to use the prayers of Christians to release His power. Pray for your time together, for the students and their spiritual journey, and for those God will use the students to impact in the future.

Come Prepared

There is a lot of information packed in the first 9 lessons, and because the goal is DMM multiplication, it's important that all parts of the lesson are finished. Take time before meeting to read through what will be covered. Take note of the time suggestions on each section of the lesson, look for what is different from previous lessons and what materials are needed. Each lesson, you should have paper, pens, and Bibles for each student (or have the students bring their Bibles/download the Bible App).

DMM Pacing

As there is a lot to cover each week, there may be times when lessons need to be split up into two weeks, which is totally fine. The goal should be that the material is covered and understood, not brushed over because of time limits. Allow God's Spirit to move students to open up and share, but also be aware of "rabbit trails" that can derail the main focus of the lesson.

Communication Throughout the Week

- Stay in touch throughout the week. Create a text group and continually encourage each other and share what you are learning.
- SCRIPTURE – Each week, the DMM will read through a portion of scripture together so they are all in the Word continually.

Throughout the week, text the DMM to ask for insights on what students are learning or see how things are going with their challenges.

Keep it Small

Smaller DMMs allow for deeper conversations and relationships. If your DMMs grows to more than 8 or 10, break them up into smaller DMMs for discussion and come back together for worship at the end (Looking In).

For Those Who Aren't Ready to Start a DMM

We treat every student as if they are going to start their own DMM, but recognize that not everyone will. Encourage them to even start a DMM with a peer, to ask students to join any DMM, or refer students to Collision leaders and staff who might be willing to join or start a DMM. Each student can contribute in their own way toward Collision's goal of 2,000 DMMs by 2020. Remember that each new DMM represents multiple lives changed and saved by Christ!

Lesson ONE

Jesus - the Way to the Father

Looking Back (20 minutes)

CARE (10)

Share a meal, snack, refreshment. Ask:

1. What are everyone's "high's and lows" for the week?
2. How is everyone's personal relationship with God? (If anyone is struggling, pray for him/her and then stay after the DMM or follow up later to care for that person. Reach out to a leader for help, if needed.)

LOVING ACCOUNTABILITY (5 - Never Skip)

Review the commitments that were made the previous week (last week of the Training Manual). Ask:

1. How have you obeyed what you learned from last week's scripture? Who did you train?
2. Did you talk to your accountability partner this past week?
3. Who did you talk to about joining or starting a DMM? Who did you help to start one?

VISION CASTING (5)

- Vision of Collision: "We desire to Glorify God by uniting and mobilizing the local church to help fulfill the great commission, so that every student has the opportunity to respond to the gospel of Jesus Christ."
- One of the ways we do this is to form discipleship groups called Disciple Making Movements (DMMs). Our goal is that each of you begins and facilitates your own DMM, which is one of the ways that you can fulfill the Great Commission. Who can say Matthew 28:18-20 from memory (Great Commission verses)?

Looking Up (20-30 minutes)

****Today's topic: Jesus - The Way to the Father****

PRAY, READ AND DISCUSS SCRIPTURE:

- Pray and ask God to teach you the scripture. **Spend some time at the end of the prayer in silence. Ask, "Father, what do You want to teach me about Your love today?"**
- Have 1 student read the passage, another student read the same passage in a different version, and a 3rd student restate what was said in the passage. Repeat the process for each scripture.

SCRIPTURE: John 14:6-7; John 17:25-26

Ask:

- What does this teach about how Jesus shows the way to God the Father?
- What does this teach you about the Father's love for you?
- Our experience with our earthly father and father figures often changes how we understand our Heavenly Father. How does what you're learning about God the Father compare to our earthly fathers or father figures?

SCRIPTURE: John 17:3; Romans 10:9-10

Ask:

- What does this teach about eternal life and salvation?

*Have you received Jesus as your Savior? If not, **Google** “Evangelism Explosion PDF” and read through it.

Looking In (10-30 minutes)

Turn on your favorite worship playlist. Pray to invite God to lead your thoughts.

During worship, pray:

- “God, what things do I need to forgive my earthly father or father figures for? (Then pray a prayer of forgiveness: “I forgive my father/father figures for...”)
- After some time has passed, pray: “Heavenly Father, what lie have I been believing about You?”
- Then pray: “Heavenly Father, what truth do You want to teach me about You and Your love for me?”

(SUGGESTION: Do this process every day this week.)

Looking Forward (10 minutes)

OBEY AND TRAIN (Never Skip)

Have each student write down their answer to the following questions. Also have one student write down everyone’s responses and bring that list to the next meeting time.

Share:

1. How will this change your relationship with God this next week and beyond?
2. What is God leading you to DO with what you learned today?
3. With what you learned today, who will you train? Who will you pass this on to?

Living as an Orphan vs. Living as an Adopted Son or Daughter of God

<u>Living as an Orphan Christian</u>		<u>Living as an Adopted Son or Daughter</u>
God is a hard task master.	VIEW OF GOD (Ephesians 2:4-6)	God is a loving Father.
I need to strive for the approval and acceptance of others. I serve, pray, read the Bible, etc. in order to impress God and because I need to earn His favor. I work FOR God.	STRIVING & MOTIVATION (Ephesians 2:8-9)	I am totally accepted in God's love and made right with Him by grace. I am motivated by a deep gratitude, with pleasure and delight, for being unconditionally loved and accepted by God. I work FROM God as my source.
I struggle with self-rejection and self-hate because I compare myself to others.	SELF-IMAGE (Ephesians 2:10)	I have a positive view of myself because I know how God sees me and how much He values me.
I am in bondage to sin and feel like a servant and slave.	CONDITION and POSITION (Ephesians 2:19-22)	I am free from sin and feel like a son/daughter of God.
I MUST be holy to have God's favor, which results in an increase of condemnation, shame and guilt.	PURITY (Ephesians 4:21-24)	I WANT TO be holy and do not want anything to hinder my intimate relationship with God.
I see authority (parents, teachers, etc.) as a source of pain. I'm distrustful toward them and lack an attitude of humility toward them.	VIEW OF AUTHORITY (Ephesians 6:1-3)	I'm respectful, honoring, and see them as God sees them. I treat them the way God wants me to treat them.
I seek comfort in affection from others, addictions, compulsions, using technology/addictions to escape emotional pain, busyness, and hyper-religious activity.	SOURCE OF COMFORT (2 Corinthians 1:3-7)	I seek times of quietness and solitude to rest in the Father's presence and love. I seek His comfort and perspective when I'm stressed, hurt, etc.

4. How is everyone's personal relationship with God? (If anyone is struggling, pray for him/her and then stay after the DMM or follow up later to care for that person. Reach out to a leader for help, if needed.)

LOVING ACCOUNTABILITY (5 - Never Skip)

Review the commitments that were made the previous week. Ask:

4. How have you obeyed what you learned from last week's scripture? Who did you train?
5. Did you talk to your accountability partner this past week?
6. Who did you talk to about joining or starting a DMM? Who did you help to start one?

VISION CASTING (5)

- Vision of Collision: "We desire to Glorify God by uniting and mobilizing the local church to help fulfill the great commission, so that every student has the opportunity to respond to the gospel of Jesus Christ."
- One of the ways we do this is to form discipleship groups called Disciple Making Movements (DMMs). Our goal is that each of you starts your own DMM, which is one of the ways that you can fulfill the Great Commission. Who can say Matthew 28:18-20 from memory (Great Commission verses)?

Looking Up (20-30 minutes)

****Today's topic: God-Given Identity****

PRAY, READ AND DISCUSS SCRIPTURE:

- Pray and ask God to teach you the scripture. **Spend some time at the end of the prayer in silence. Ask, "Father, what do You want to teach me about Your love today?"**

Looking In (10-30 minutes)

Turn on your favorite worship playlist. Pray to invite God to lead your thoughts.

- Read Psalm 139:1-18

During worship, pray:

- “Father, what lie am I believing about myself?” (Take as much time as needed.)
- THEN PRAY: “Father, how do YOU see me?” (SUGGESTION: Do this process every day this week.)

Looking Forward (10 minutes)

WHAT'S NEXT?

Congratulations! Your DMM make it through the Training Manual and is ready to go on to the next phase of your journey. Here are some things to know:

Have a Party!!

After completing the Training Manual, celebrate with your DMM!! Have students share their testimonies of how God changed their lives over the past couple months. Celebrate how many students gave their lives to Christ or started new DMMs. Be sure to pass this all on to your Collision leader or staff contact.

Continued Accountability

One tool that students have reported as being incredibly helpful in their growth is for them to have an Accountability Partner. Proverbs 27:17 says that, “as iron sharpens iron, so a friend sharpens a friend”.

Have the students establish an Accountability Partner (ideally from within the DMM) to go through the Accountability Questions with (found after the Simple Meeting Format document). This could be a face-to-face meeting or call and could be as quick as 30 minutes every week.

4/4ths DMM: Simple Meeting Format

What you'll see after this page is a template for meeting. The DMM time is broken down into the same 4 parts as in the training manual (Looking Back, Looking Up, Looking Forward and Looking In). **The format will be the same, but the scripture being studied will change each week.** There is also the same emphasis on holding everyone accountable for how they obeyed the previous week's goals, as well as discovering how God is asking each person to obey during the next week.

Suggested Series

Suggested Series have been provided that can provide your DMM with options on what to study each week. Also feel free to create your own studies based on the DMM's needs. Search topics online, or use study plans from The Bible App.

Keep Talking about Multiplication

While going through the training manual, there was a huge focus on raising up facilitators to start their own DMMs. Keep the focus on encouraging students to start their own DMMs and help others start DMMs, which will allow them to grow by discipling others, and press on toward the goal of 2000 DMMs by 2020. Also regularly ask if they know of anyone who would like to start their own DMM and pass their name on to Collision leaders or help them start their DMMs.

4/4ths DMMS: SIMPLE MEETING FORMAT

Use this format after going through the Training Manual. The ONLY part that changes each week is the scripture being studied. Scripture can be taken from the Suggested Series (see appendix) or based on DMM needs and preference.

LOOKING BACK (15-20 minutes)

Care

Share a meal, snack, refreshment, and a story from the week or an answer to prayer.

1. What are everyone's "highs and lows" for the week?
2. How is everyone's personal relationship with God?

If anyone is struggling, pray for him/her and stay after the DMM or follow up later to care for that person.

Obey and Train Check-Up (Never Skip)

This is loving accountability. Review the commitments that were made the previous week.

Ask:

1. How have you **obeyed** what you have learned from last week's passage?
2. Who have you **trained** in what you have learned from last week's passage?
3. Did you talk to your accountability partner this past week? If not, why not? What plans do you have to talk to them this week?

Vision

Share a story from the Bible, a personal story, or an inspiring slogan or song to encourage one another to share Jesus with others, to start new DMMs, and to help others do the same. *Bring it back to sharing God's heart for lost people and for disciples who become disciple-makers (DMM multiplication).* You can use one of the following Bible passages to get started: Matthew 28:18-20, Luke 10:1-11, Acts 1:8, Luke 19:1-10, Matthew 13:1-23.

LOOKING UP (15-20 minutes)

Read and Discuss Scripture

***** Scripture for this week: _____ (see Suggested Series for recommendations)*****

- Pray and ask God to teach you this passage.

- Ask:
 1. What did you like or find difficult about this passage?
 2. What does this passage teach you about people or about yourself?
 3. What does this passage teach you about God?

LOOK FORWARD (10-20 minutes)

Obey & Train (Never Skip)

Have everyone in the DMM pray for the Spirit to show them how to answer these questions, then make commitments. ***Write the commitments down to review next week.***

Ask:

1. How will you **obey** this passage?
2. Who will you **train** with what you learned from this passage?

Weekly Reading

Determine what scripture the DMM will read together throughout the week (example: continue reading one chapter of the book of John each day). Text what you've learned to each other throughout the week.

LOOKING IN (20-30 minutes)

- Pass out paper and pens. Find a quiet place, turn on your favorite worship playlist and dim the lights.

Worship (Never Skip)

- Spend time praying together and invite God's Spirit. Pray for friends and family. Start some worship music and seek God for His leading concerning the next two questions below. Also feel free to share any encouragement for others that God gave you. Share with the group as you feel led.
